ANNOUNCEMENT

The Fourth Annual Sale from the herd of Buckland Hall Farm follows the most successful show season that the herd has experienced, and will distribute a more valuable lot of breeding stock than Shorthorn Breeders have been given an opportunity to purchase at any previous sale by auction.

Every animal that will be offered is of the present day thick-fleshed, early-maturing type. No better quality is to be found than is possessed by the cattle exposed in this auction. The pedigree value cannot be excelled, because only stock of most desirable bloodlines were used in founding this herd, and the matings have proven most successful, as last season and former seasons great show records tend to prove.

In buying cattle bred at Buckland Hall Farm, or cows in calf to Buckland Hall bulls, you are assured that the animals purchased are closely related to others of the highest grade of show yard excellence that has been proved by the actual successful competition in the greatest shows of the United States and Canada. One has the additional satisfaction of knowing that the cattle so purchased, and their offspring, would be welcome additions to all of the best and most noted herds in the country.

Buckland Hall Farm offers this extraordinary opportunity to secure the highest class of seed stock. The country needs such cattle. You may improve your herd, strengthen its reputation, and increase the profits from your farming operations by buying some of the cattle listed in this catalog.

WILL JOHNSON,
Of The Shorthorn World.

SCENE ON BUCKLAND HALL FARM

Terms and Conditions

Proper care shall be given by purchasers to protect breeding qualities and health of animals.

All bulls guaranteed breeders. A bull should not be allowed to serve when under fourteen months of age, or allowed to run with herd while under twenty months.

If the above is complied with, cows and heifers over eighteen months of age are guaranteed breeders; *but*, cows with calves at side are proven breeders, and there is no further guarantee.

If an animal is reported as failing to breed within six months, it may be returned at purchaser's expense, in good condition, and should it fail to breed after we have given it a reasonable trial, another animal at as near equal value as possible will be substituted to the satisfaction of the purchaser, or money refunded, with no allowance for interest or other expenses.

All animals are sold subject to sixty days re-test by Federal or accredited State Veterinarian, provided the animals have been segregated from the buyer's herd until the re-test is made, except buyer's herd be an Accredited one.

Certificates of registry and transfer furnished for each lot. Shipment will be made as soon as possible, after close of sale and without trouble to the purchaser. Buyers' risk after bid off.

Terms: Cash, except other arrangements are made before sale.

Mail Bids may be sent to Col. Carey M. Jones, or Will Johnson, of The Shorthorn World.

BUCKLAND HALL FARM

POST OFFICE

NOKESVILLE, VIRGINIA

FRIDAY, APRIL 30, 1926

We are sending the enclosed card to remind you of our ANNUAL SALE of SHORTHORN BREEDING STOCK, on April 30th. next, at the Vint Hill Farms, P. O.—Nokesville, Va. Railroad Station—Haymarket, Virginia.

We shall offer a large number of cattle of our own breeding.

As you are well aware, the market for beef on the hoof has been a steady and profitable one for some time and is likely to continue so well into the future. There is a decided demand for the better class of beef, which necessitates PUREBRED BULLS. It is a very encouraging sign to the purebred breeders and is having its effect on the prices of purebred stock.

We look for a continued and steady advance in the value of purebred animals for some little time to come, not a speculative advance but a good steady increase in values.

We would also call your attention to our PUREBRED SHROPSHIRE SHEEP, of which we possibly have the largest flock in this section of the country. We shall have on exhibit the day of the sale a limited number of YEARLING RAMS, which will be for sale this spring.

Please write to us for SALE CATALOGUE, which will be ready in April.
